## ABOUT UNITING VOICES LEXINGTON

**Uniting Voices Lexington empowers and unites youth from diverse backgrounds to find their voice and celebrate their common humanity through the power of music.** The program is the first Uniting Voices chapter outside of Chicago and carries forth the organization's mission to inspire and change lives through music. In the spirit of the Civil Rights Movement out of which Uniting Voices was founded, Uniting Voices Lexington develops programs that embrace the diversity of the Bluegrass region, making a transformative music education available to any singer who wants it.
